#### KROP

It was announced last week that we were successful and have been chosen to perform at KROP. This is a great reward for all the staff and students' hard work and dedication. Students will perform at the Regional Theatre in Week 3 Term 3 so they will be busy refining their performance.

#### Riverina Cross Country

The students and staff would like to wish Charlotte Star all the best on Thursday as she represents Goolgowi PS and the Griffith Zone at the Riverina Cross Country in Gundagai. We are sure she will do her best as she has been training hard. Good luck Charlotte!

#### Schools Plus

The school has registered a fundraising project with Schools Plus to raise funds for our Year 3-6 excursion to Borambola. Schools Plus is an organisation where individuals and businesses can donate funds to schools who are facing disadvantage – with a value below 1000 on the Index of Community Socio-Educational Advantage (ICSEA). Goolgowi PS is eligible for this support. The Federal Government has granted Schools Plus Deductible Gift Recipient (DGR1) status, making donations of \$2 or more to schools via Schools Plus tax-deductible. Schools Plus retains a contribution from each donation to support their work with schools. This contribution – which is 5% for Fundraise Yourself/Donor Choice projects and 7.5% for Smart Giving/auspiced projects – helps School Plus provide a crowdfunding platform including resources and advice to schools about fundraising and donor relationships, plus contributes towards the assessment and evaluation of projects. Standard credit card fees also apply to donations.

Our excursion project has been published on the Schools Plus website. If you would like to find out more or donate to our excursion fundraising, go to:

<https://www.schoolsplus.org.au/projects/excursion-life-time/> . I am in the process of submitting another project for our Robotics and Coding and have already received a very generous donation to assist staff with training and purchasing more resources.

## what's happening

### In The Classrooms?

#### K/1/2 News

Last week Mr Adamson explained how clouds were made as a part of the science unit. The students enjoyed the experiments he conducted.

Recently, I have been focusing on writing to

improve the quality and length especially with Year 1 and 2 students. The aim is for Year 1 to write at least four sentences and Year 2 at least six sentences. This is a challenge!

Mrs Robertson

#### 3/4 News

Last week students wrote an interesting narrative titled 'Found' and this week we will take on the role of an author and revise our text to make it more interesting for the reader. We use adjectives, adverbs, similes and other techniques to improve the quality of our text. In our role of a secretary, we will check our spelling, punctuation and paragraphs.

Multiplication and division are the focus of maths this week where we will practise our times tables and use our knowledge of multiplication to solve division problems. In Science and Technology, we have begun a unit on Earth and its changes where the students have already investigated tides and erosion with Mr Adamson.

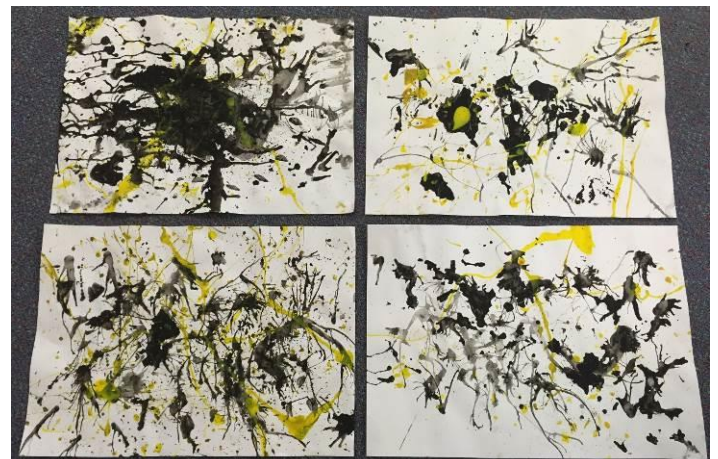

Mrs Young

#### 5/6 News

This week during maths, we are continuing to look at multiplication strategies and division strategies to solve number problems.

Students have been constructing an informative retell of their long weekend. Students will be using this during the week to learn more about writing strategies such as revising, editing and refining. They will now adjust their sentences and word choice.

During science, we will be conducting an experiment to simulate a cyclone as a part of our extreme weather unit. Students will be recording their observations.

Last week students enjoyed using abstract artist Jackson Pollock's painting techniques to create their own artworks by blowing and splashing.

Miss Gordon

## PBL Focus For This Week

**Value:** Responsibility

**Wear your school uniform with pride.**

It shows you are a student at Goolgowi School.

Keep your hat on.

## Sport News

### School Athletics Carnival

The school athletics carnival will take place on Friday 23<sup>rd</sup> June (Week 9) commencing at 9:10 am. The carnival will be held at school.

We will need helpers to set up for the carnival, timekeepers and people to assist with field events and most importantly, to offer encouragement to students. We rely on parents and friends to assist in order for this event to run smoothly.

Students will continue training at sport time and during morning PE.

The P&C will be running a canteen on the day.

### Premier's Sporting Challenge

This is Week 3 of the PSC. Keep up the great activity everyone!

### Scripture Club News

Scripture Club is held for around 15 minutes each Thursday lunchtime. Children will have the opportunity to act out Puppet Plays and ask questions about God, Jesus and the Bible.

A permission note from families is needed for your child to attend. Attendance though is voluntary - it is up to each child to decide on the day whether they would like to go to Scripture Club or not.

Any questions just ring me on 69651286.

Thanks, Cheryl Robertson.

### Group 20 Rugby League in Goolgowi

Griffith Black & Whites will again host a Group 20 match here in Goolgowi this season when they clash with last year's premiers Tullibigeal Lakes United. Hay Magpies have made the trip to Goolgowi the past two years to take on Black & Whites but this year's first grade match will be between two of the competition heavyweights. With four grades of footy on the day, reserve grade, under 18s, and ladies league tag are sure to be crowd pleasing fixtures as well.

It is a wonderful gesture for Black & Whites to continue to bring one of their home games to Goolgowi each year so we can still get to see some quality rugby league. However, we need spectator numbers to continue to be strong in order to keep this event each season, so please get along and support this great day. A full canteen will be running with plenty of hot tucker

available, and the Goolgowi Recreation Ground Trust will hold a raffle. Admission is \$8 for adults, with under 18s kicking off the morning at 11am. The weather has been ordinary for the past two seasons so here's hoping for an improvement this time around when it all takes place on **Sunday, 16<sup>th</sup> July**.
