Principal's Message

Resilience - Respect – Responsibility

Thank You

Thank you to Mrs Liddicoat and all the staff for the smooth operation of the school while I was on leave. There were many events such as KROP, Education Week and athletics carnivals in the first four weeks and it is reassuring to know that the school functions extremely well when there are staff changes.

Enrol Now for Kindergarten 2023

Goolgowi's Kindergarten Orientation program begins in Week 1 Term 4 and all of our 2023 Kinders must be enrolled beforehand to participate in the orientation program so I encourage parents to enrol their child this term. It gives our future students a chance to become familiar with the school and assists us to plan our classes.

The Department of Education requires that:

- All children must be in compulsory schooling by their 6th birthday.
- Children can start Kindergarten at the beginning of the school year if they turn 5 on or before 31 July that year.
- Students should start school at the beginning of the school year.

Once they have completed the online enrolment, parents are asked to bring into the office:

- the child's birth certificate or identity documents.
- proof of child's address – current council rates notice, residential lease, electricity bill and so on.
- immunisation history statement from the Australian Immunisation Register (AIR)
- any family law or other relevant court orders, if applicable.

- Enrolments can be now made online at <https://goolgowip.schools.nsw.gov.au/about-ourschool/enrolment.html>.

Please call the office on 6965 1207 if you need any further information. If you know any other children who are ready to start school, please pass on this information. This will help us to plan our classes for 2023.

Book Week Parade & Book Fair

During Book Week, schools and public libraries spend one glorious week celebrating books and Australian children's authors and illustrators. This year's theme is 'Dreaming with Eyes Open'. The artwork was designed by Darug artist Jasmine Seymour. Students have been investigating this theme and the many interpretations of what it means to dream with eyes open.

On **Thursday 25 August (Week 6)**, the school will hold its annual book parade and fair to highlight the importance of reading.

Students can dress up as their favourite book character. They will need to explain why they have chosen that character. Students may like to carry their chosen book during the parade.

Parents and the community are invited to come and observe this spectacular parade. Pre-schoolers may also dress up and join in the parade.

Date: **25 August**

Time: **12:00pm**

Location: The COLA., Goolgowi Public School

Please stay for the yummy **P&C BBQ lunch** after the parade.

Please bring along some cash as there will also be a book fair where you can buy some awesome books for yourself, the children or to donate to the school. All donated books have a certificate inside to acknowledge the family who donated it. The students love seeing which families donated the book they are enjoying.

Library Books

Please return all library books on Thursday. We don't want outstanding books so have a search at home; library books hide in strange places!

K/1/2 News

We have had a fun week completing our Carrathool Shire Book Week competitions. Kinder students read a book called "What do you call your Grandma?" and made special gift bags. Year 1 students read "Jetty Jumping" and created a collage of people jumping from a jetty. Finally, our Year 2 students read "When the Waterhole Dries Up" and created a diorama of the final scene from the book.

3-6 News

3-6 have been working hard on their Carrathool Shire Book Week projects. After reading the book 'Walk of the Whales' by Nick Bland, Year 3 created three collages using materials not recycled that may be found in the ocean and harming different sea animals. Unfortunately, we could not get a copy of 'Just One Bee' by Margrete Lamond & Anthony Bertini to read but the Year 4s did an amazing job creating a bee hive – luckily they had Thomas in their group with his expert knowledge. The Year 5 and 6 students joined together and read 'Stellarphant' by James Foley and then created a galaxy scene with labelled constellations. I was so impressed to see what each group created. Well done 3-6!!
