-------------------	--------------------------------------

Notes coming home this week

- Nil

Student of the Month

Ted Young

For an improvement in his attitude and application to learning.

Principal's Message

Resilience - Respect – Responsibility

End of Term 3

Term 3 has been busy with students involved in many important events such as Education Week, KROP, athletics carnivals and Book Week, along with engaging learning in the classroom. Staff are always encouraging students to take personal responsibility for their learning and providing them with the support to challenge themselves to improve their learning. I would like to thank students and staff for their efforts this term and parents for supporting our students' learning. I'm sure Term 4 will be a productive, busy term so please keep up to date with events through the newsletter.

Please remember that students and staff return on **Monday 10 October** as the School Development Day for staff is held on the last day of Term 4. Teachers are completing extra professional learning in literacy and numeracy in lieu of the last SDD.

Whole School Assembly

This Friday at 2pm will be our end of term whole school assembly and 3-6 students will be leading it. Parents and friends are welcome to attend as students love to perform for an audience. Please come early and enjoy a yummy barbecue provided by the P&C.

Kindergarten Orientation Program

Thursday 13 October will be the first of our Kindergarten orientation sessions so it is important that students beginning Kindergarten in 2023 are enrolled before this date. Kindergarten orientation is not only important for our new Kinders, it is also important for schools to get to know new parents and establish those strong connections with families from the outset that will help our newest students thrive.

Kindergarten Orientation Sessions:

1. **Thursday 13 October** - morning session 9.00-11.40am (including recess)
Parent Information session 9am in the library
2. **Thursday 20 October** - morning session 9.00-11.40am
3. **Thursday 27 October** - morning and middle session 9.00am-1.55pm (including lunch)
4. **Thursday 3 November** - morning and middle session 9.00am-1.55 pm
5. **Thursday 10 November** - all day session 9.00am-3.00pm

Parents who have enrolled their child, will receive further information about the program.

Enrol Now for Kindergarten 2023

Goolgowi's Kindergarten Orientation program begins in Week 1 Term 4 and **all of our 2023 Kinders must be enrolled beforehand to participate in the orientation program** so I encourage parents to enrol their child this term. It gives our future students a chance to become familiar with the school and assists us to plan our classes.

The Department of Education requires that:

- All children must be in compulsory schooling by their 6th birthday.
- Children can start Kindergarten at the beginning of the school year if they turn 5 on or before 31 July that year.
- Students should start school at the beginning of the school year.
- Once they have completed the online enrolment, parents are asked to bring into the office:
- the child's birth certificate or identity documents.
- proof of child's address – current council rates notice, residential lease, electricity bill and so on. • immunisation history statement from the Australian Immunisation Register (AIR)
- any family law or other relevant court orders, if applicable.

- Enrolments can be now made online at <https://goolgowip.schools.nsw.gov.au/about-ourschool/enrolment.html>.

Please call the office on 6965 1207 if you need any further information. If you know any other children who are ready to start school, please pass on this information. This will help us to plan our classes for 2023.

Borambola Excursion

Students in Year 3-6 have the opportunity to attend the Borambola Sport and Recreation Centre from Monday 21 November to Wednesday 23 November 2022 (Term 4, Week 7). There will be no cost to students as the excursion is fully subsidised by a Schools Plus grant and the school.

Following is the student registration link for the excursion:

<https://officeofsport.ungerboeck.com/prod/emc00/register.aspx?eid=cvRLbTloT00xSctwU1JwWTivVI2UT090>

Could you please complete your child's registration by **Monday 24 October**?

If you have any questions, please do not hesitate to contact the school office.

Anne-Maree Young
Principal

School Photos

Garry Bazzacco will be taking school photos this Wednesday 21 September. Photo envelopes have been sent home. Family and sport/group photo envelopes are also available.

Sport/group photos to be taken are:

- School Captains
- Sport Captains
- SRC
- Zone Representative
- Riverina Representative

If you would like a family and/or sport/group photo, please contact the office.

Order forms together with payment must be returned by **Wednesday 21 September**.

P&C Working Bee

The P&C will be holding a working bee on **Friday 7 October** which is the last Friday of the school holidays.

Please bring your garden tools, whipper snipper etc.

The purpose of the working bee is to clean up areas of the school which pose a fire hazard.

Library Books

Please return all library books on Thursday. We don't want outstanding books so have a search at home; library books hide in strange places!

what's happening in the classrooms?

3-6 News

After finishing our class novel 'Rowan of Rin', 3-6 are now creating an artwork related to the book. We are focusing on blending colours together and creating a gradient within our artwork. We are excited to share our creations with everyone at the school assembly on Friday. Here are some progress pictures of our work so far...

Miss Wheeler

Awards

Weekly Awards

Congratulations to our weekly award winners.

Mrs Liddicoat

- **Charlie M** - for trying hard to use descriptive words in his writing.
- **Wade** - for making a confident start at his new school.

K/1/2 News Week 9

Welcome Wade

Last Wednesday, we welcomed Wade into our class. All the K/1/2 students were very excited to have a new student in our room.

We learnt about measuring area in maths. We used square tiles to calculate the area of different shapes.
