## Student of the Month

**Evelyn**

For great enthusiasm and an outstanding willingness to learn new things.

## Principal’s Message

Welcome back to Term 4. We hope all families had a relaxing, safe and enjoyable break from school. It is lovely to see the students back fresh and rejuvenated after the holidays and to listen to the adventures they had with their families and friends.

Every term is busy, but Term 4 is one of the busiest! We start with Kindergarten Orientation to prepare our 2025 new Kindergarten students and end the term farewelling our Year 6 students. Stage 2 is heading to Borambola Sport and Recreation Centre for camp, golf swings into action for 3-6 students, swimming lessons towards the end of the term, the Halloween Disco, end of year pool party and Presentation Night. All combined with lots of learning.

### Proud and Deadly

The annual Proud and Deadly Awards were held at the Griffith Regional Theatre on Wednesday 25 September. It was lovely to celebrate the successes and achievements of our Aboriginal students. The following Goolgowi students received an award:

**Golf**

We are again very excited to be starting golf for the 3-6 students. Students will participate in golf lessons as part of the sport program on Fridays. We are also lucky to have Golf NSW deliver their Lunch Time Golf program later in the term. For the last three weeks of the program students will walk over to Goolgowi Golf Course and play a modified game of golf. More information to come later in the term.

**Trent Barrett Shield**

Charlie McL, Cordell, Wade, Hugo and Ted and other students from across the smalls school network competed in the Trent

Barret Shield in Griffith in Week 9 last term. Once again, all the students represented their school proudly and demonstrated great sportsmanship. We had a win and some losses, but the students played well, learnt some new skills, improved their game, competed against other students they knew and didn't know, and Ted even competed against his cousin (and came off with a win)! Congratulations to Ted who was awarded Best and Fairest for the day for our Team.

The Rankin's Springs Round Robin was not held last term due to wet weather. It has now been cancelled. All lunch money has been refunded and was sent home with students yesterday.

## October is Cyber Security Awareness Month

October is Cyber Security Awareness Month and an annual reminder for all Australians to stay secure online. This year, we encourage you to 'Be cyber wise - don't compromise'. There are 4 simple steps you can take to be cyber wise and significantly boost your cyber security:

1. Update your devices regularly
2. Turn on multi-factor authentication
3. Back up your important files
4. Use passphrases and password managers

Cybercrime reports are increasing, but by taking these simple steps everyone can play a part to make Australia the most secure place to connect online. Our latest Annual Threat Report found that during the 2021-22 financial year, one cybercrime was reported to us every 7 minutes, a 13% increase from the previous financial year. We have resources to guide you through the simple steps you can take to be cyber wise and avoid the compromise of your devices and accounts.

Helping our students be safe online will be a focus for this term. Parents can access The Australian eSafety Commissioner's website for support and advice. <https://www.esafety.gov.au/parents>

This website supports parents and carers to protect children. Experts in eSafety have developed evidence-based advice on keeping children safe while online. It collates reliable, expert knowledge that is applicable to parents around the globe, including a range of practical tips on what to do if things go wrong.

Topics include media, misinformation and scams, time online, parental controls, unwanted contact, cyberbullying, online gaming as well as advice on self-care.

## Attendance and absences

Parents of children from Kindergarten to Year 12 must ensure their children attend school every day. On occasion, your child

may need to be absent from school. Justified reasons for student absences may include:

- being sick or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstances e.g. attending a funeral.

Parents must provide an explanation for absences to the school within 7 days from the first day of any period of absence. Where an explanation has not been received within the 7-day timeframe, the school will record the absence as unexplained on the student's record.

All other absences will be marked as Unjustified unless an application for leave has been submitted and approved by the principal.

Angela Dayhew  
Relieving Principal

## Halloween Disco

Goolgowi Public School will be holding its annual Halloween Disco on Monday 28 October from 6:00-7:30pm.

The cost is \$5.00 per student to attend. Each student will receive a sausage sandwich, drink, ice block and a lolly bag.

The money paid by parents for the Rankin's Springs Round Robin will be used to cover the cost for students attending the disco. I will contact the parents of students not attending the disco individually to arrange a refund of the bus money.

There is no need to send any money in to the school for the Halloween disco.

## School Bytes APP/Portal

Don't forget to check your School Bytes Parent App or Portal for any notifications regarding upcoming events.

School Bytes can also be used to enter absences, look at you're the school calendar, Statement of Account, school news, reports and any activities your child/ren may be involved in.

Thank you.

## in the classrooms?

### 1/2 News

We have started the new term without Sean Hall, who was a friend to many in our class and the Kindergarten class. We wish him well as he starts school in Queensland and gets to meet extended family there.

Warmer days are here and the busyness of harvest time is on its way for our farming families. I hope you all had an enjoyable holiday time together. Pauline and I met up with our own adult children and caught up with plenty of family and friends.

This term we are tackling 'persuasive writing', where we get to express our opinions, back them up with good reasons and try to persuade each other to think the same as us.

It was nice to meet up with the children again and hear their holiday news.

Mr Fox

### 3/4 News

Year 3 and Year 4 are very excited to meet our class pets! The students will be very kind and share them with the rest of the school. Ms Dayhew is picking up the creatures on

Tuesday afternoon with a huge thank you to Beelbangera Public School. I am sure that the students in Year 3 and Year 4 will take great care of the.....? Why not come in and meet our newest school members. They will be housed in the 3/4 classroom. We will let you know the names as soon as the students name them. Stay tuned for pictures in the next newsletter!

Ms Dayhew

## 5/6 News

It's great to be back together again this week for another term of learning. I trust you all had an enjoyable and relaxed holiday. On the last day of term students shared some of their plans for the holidays including fishing, camping, relaxing and catching up with friends and family. Geoff and I were able catch up with friends and our three adult children too, although we didn't do the fishing or camping!

The end of term didn't work out as we expected with the postponed Rankin's Springs 'Round Robin Day'. However, we celebrated with cinnamon toast and some ball games. Students are starting to know the difference between cinnamon and synonym and enjoying the taste of warm buttered toast with a sprinkling of sugar and cinnamon on top. This certainly helps to cement the difference!

In maths we've looked at properties of 3D objects. For one of the lessons the students were divided in mixed groups and completed several activities. It was encouraging to see students co-operate and mentor each other through some challenging activities. At the conclusion of the lesson, students had opportunity to think through how they had worked as a group reflecting on

- Did they include each other?
- Did they ensure each person was involved?
- Did they support anyone who found an activity difficult? and
- How can they make their group focus and function better as a whole next time?

In a practical context while learning, students are honing skills of co-operation and teamwork.

I look forward to seeing you at school for various activities. Please feel free to contact me if you have any concerns or questions.

Transitioning from preschool to Kindergarten is a significant step in a child's education journey. It's essential to ensure that this transition is as smooth and positive as possible to help children adjust to their new environment and expectations. Here are some tips to facilitate a successful Kindergarten transition for preschool students:

- ✓ **Visit the school and meet the teacher:** If possible, arrange visits to the school before the official start date. Familiarising the child with the new environment can reduce anxiety. They can meet their teacher and explore the classroom. Building a connection with the Kindergarten teacher can be reassuring for both parents and children. Attend orientation sessions and meet-and-greets to get to know the teacher and ask any questions you may have.
- ✓ **Establish a Routine:** Begin establishing a consistent daily routine at home that mirrors what they will experience in Kindergarten. This includes setting regular bedtimes, mealtimes, and playtimes. Routines help children feel secure.
- ✓ **Practice Independence:** Encourage your child to do things independently, such as dressing themselves, using the bathroom, and tidying up their toys. Kindergarten teachers will appreciate children who can handle these basic tasks.
- ✓ **Read Together:** Continue to read with your child regularly. Reading not only enhances their language skills but also fosters a love of learning. Choose books about starting Kindergarten to help them understand what to expect.
- ✓ **Social Skills:** Reinforce good social skills like sharing, taking turns, and resolving conflicts peacefully. These skills are crucial for successful interactions with peers in Kindergarten.
- ✓ **Talk About Kindergarten:** Have open conversations about what to expect in Kindergarten. Address any concerns your child may have and emphasise the positive aspects of this new adventure.
- ✓ **Playdates:** Arrange playdates with other children who will be attending the same Kindergarten. This can help your child make friends before school starts.
- ✓ **Label Belongings:** Ensure all your child's belongings, including backpacks, lunch boxes, and clothing, are clearly labelled with their name.
- ✓ **Stay Involved:** Stay involved in your child's education by volunteering in the classroom or participating in school events when possible. This shows your child that you value their education.
- ✓ **Celebrate Milestones:** Acknowledge and celebrate the milestones your child achieves as they transition to Kindergarten. This boosts their confidence and excitement about this new phase.
- ✓ **Stay Calm:** Children often pick up on their parents' emotions. If you're anxious about the transition, it can make your child anxious too. Stay calm and positive about the experience.
- ✓ **Prepare for Separation:** If your child hasn't experienced long periods of separation from you, start practising gradually. Leave them with trusted caregivers for short periods, gradually increasing the time apart.

### **What Do They Need To Bring?**

Hat, drink bottle, small container of freshly cut up fruit for Crunch & Sip and a small healthy snack such as fruit and/or sandwich for recess.

**Children need to wear enclosed shoes and comfortable clothing with shoulders covered.**
